Dear Dr. Sauer:

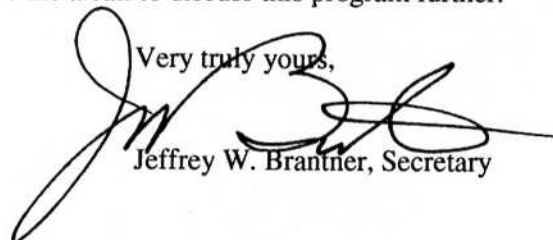

I am pleased to report that at the May 2006 meeting, the Ohio Lions Foundation Board of Trustees approved the extension of the Ohio Lions Foundation Helen Keller Scholarship Program to include The University of Cincinnati. The first scholarship grant in the amount of \$2,750.00 will be awarded for the 2006-2007 academic year, with the recipient to be selected by the University in accordance with the OLF Scholarship Criteria, a copy of which is attached. The OLF Board has also approved your request to split the scholarship between two eligible students. So that you may adequately plan for and promote the scholarship, the OLF has made a firm commitment to award the scholarship for a minimum of five academic years beginning with 2006-2007.

We expect to be issuing our check for the first year of the program within the next couple of weeks. Please let us know how that check should be payable and to whose attention it should be sent. With some universities the check is payable to the development fund or foundation and for others it is paid directly to the university for the benefit of the office of disability services.

Again, we are pleased to have the University of Cincinnati join our Ohio Lions Foundation - Helen Keller Scholarship Program. This year the Ohio Lions Foundation is celebrating its Twentieth University, and through June of this year, the cumulative amount of Ohio Lions Foundation Helen Keller Scholarships awarded will be in excess of \$316,000. The program began twenty years ago with a single scholarship at The Ohio State University in the amount of \$1,000.00, and now includes a total of 11 annual scholarships in the amount of \$2,750.00 each disbursed through The Ohio State University, Cleveland State University, Wright State University, Bowling Green State University, Ohio University, Youngstown State University, and now The University of Cincinnati.

Please feel free to give me a call to discuss this program further.

Very truly yours,

Jeffrey W. Brantner, Secretary
