

The phrase is simple
and the words are few,
but behind them
is a whole lot
of appreciation.

God Bless you!

To The Lyons club,
we want to thank you
very much for the gifts
cards. They really helped
us get things we needed
to help us get started
over. and I had fun
going shopping. we got
Cook wear, Blankets,
pans, and many house
wear things we needed.
we even got new under-
wear. never been in a
fire before, it just
destroys everything. we
tried to save things
we thought we could,
we took clothes to the
laundry mat, washed
3 times, But the smoke
would not come out.
The furniture, the same
but people are good.

The generaling church
gone was a couple of
dressers. Peggy + Harry
gone was a bed.

So we got a good
start, I thank all of you,
our cats got burnt up.
But a kitten came from
dresser a wooded area,
So we took her or him
in.

Anyway we found
a nice place, we'll be
moving Saturday.

Thanks for all
your help.
God Bless all
John + Tammy
